Dear Tom,

I've put it back until tomorrow as I am half way through your colleagues application (Royal Hotel) and want to finish that before moving to another. Assuming I get it done tomorrow and my Team Leader can review on Friday then yes it will be able to be issued.

Kind Regards

Hi Tom,

Given the opening is on Saturday am I right in assuming that the works have already been done and that the application is tying up the loose ends. If so then based on your summary that there are no issues (I haven't been able to confirm this with Simon) then I have no issue with informally supporting the changes made, and Simon will write up the formal decision as soon as possible. If any of my assumptions are wrong then please advise.

Regards
karl

Karl,

Butlins Splash Swimming Pool, Bognor Regis

Minor Material Amendment application ref. BR/39/19/PL

I write with regards to the current Section 73 application for minor design changes to the approved swimming pool at Butlins resort.

Your colleague Simon Davis has confirmed – following information we have recently provided to the council from our acoustic consultant – that environmental health are now happy with the proposals and that he is now in a position to write up the application for approval.

The statutory consultation period has now ended, and there have been no objections.

However, the expiry date is not until mid-May and Simon has advised that he will not have the time to complete his report in April.

I appreciate the pressures we are all under in terms of resourcing and prioritising workload, however in this instance timing is important as Butlins will be opening their new swimming pool to the public on 6th April in time for the Easter holidays.

We would therefore be grateful if you are able to look into how this can be progressed and signed off given these timings, there is a need to ensure all the paperwork is in order in advance of the completion and opening of the building.

If there's anything we can do to assist in the meantime, please let us know. I look forward to hearing from you.

Kind regards,

Tom Edmunds
