Dear Sirs

Re: Planning Application BR/47/13/ - 71 & 71a High Street, Bognor Regis

We live in close proximity to the above premises and are very much in favour of the new development.

We feel very strongly that the building lends itself to being developed in this way. The proposal to convert this building will enhance the area and provide much needed housing within the vicinity.

The plans demonstrate a sympathetic and structured approach which can only benefit present and future residents.

Yours faithfully

Mr and Mrs R P Williams
