Good afternoon

Unfortunately we are unable to amend plans, or provide the property numbers. If you are unable to locate the property numbers, to ensure the location of the tree is very clear, you can submit a plan showing more detail/information.

The following link is to our mapping system: [Tree works and preservation | Arun District Council](#)

Kind Regards

Hi Guys,

Below e-mail states the house number are different in my sketch plan to your map. Couldn't find the actual numbers on maps so guessed they start at 2! Can you amend to what ever your record states or let me know what numbers they are and I'll amend sketch plan?

Many thanks,
