Dear Simon,
That's disappointing, but OK, I understand (I just hope I don't find I'm losing 4 weeks of appeal time...).

Dear Peter,

My caseload has recently increased from 70 to around 90. I have no spare time before the start of May and will aim to do the report w/c 30 April. Could you agree an Extension until 04 May.

Kind Regards

Dear Simon,

Previously, I understood your workload and was always been happy to agree to an extension, but this time I have to ask you please for a timely decision on this one, because the scaffolding is due to be struck this week which I want to delay if the decision is a yes, to fit the windows.

Or an emailed notification of the decision, to be formalised later, if that works for you.

Kind regards,

Peter Champion
