Hi Simon

Yes the 108 layout is the preferred arrangement so please part supersede the block plan, if that's ok?

Kind regards

Hi Leeza,

This is fine but the parking layout is slightly different to that shown by the submitted Block Plan. We can part supersede the Location and Block Plan drawing if its now intended to be as per the GF layout?

Hi Leeza,

Thanks. Could you update the block plan to show that or provide an amended version of the previous GF plan with the changes to the parking layout and gardens shown so that we have it clear on file what the garden changes are. We won't need to reconsult if you provide this.

Thanks.

Simon.
