Dear Mr Schinas,

The notices will be posted this week and the deadline for comments adjusted to ensure everyone has 21 days from the date the notices go up.

Kind Regards

Subject: Missing Site Notice for planning application BR/49/19/OUT (26 Burnham Avenue)

Dear Mr Davis,

I am writing regarding the planning application BR/49/19/OUT for 26 Burnham Avenue.

I would like to inform you that there is no Site Notice outside or near the site.

I live opposite and have not seen a site notice at any time. I only became aware of this planning application because a neighbour saw it in the paper and informed me. I assume many other residents are not aware of the planning application.

Per the planning application acknowledgement letter dated 18/03/2019 and published on your website:

"The Council will publicise this application by means of a site notice on or near the application site and on our website. The notice needs to be displayed until the date indicated on it for comments to be made by and for not less than 21 days. After this period it can be removed. If there are any problems with regards to the site notice (e.g. vandalism), please contact the case officer."

Please could you let me know what will be done to ensure that a Site Notice is displayed and that neighbours are made aware of the proposed development.

I assume that the planning decision will have to be delayed until a notice has been displayed for 21 days?

I look forward to hearing from you at the earliest opportunity.

Regards,
Caesar Schinas
