Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with all matters reserved for 22 No. new dwellings consisting of 2 No. 1 bed dwellings, 18 No. 2 bed dwellings & 2 No. 3 bed dwellings.

26 Burnham Avenue Bognor Regis

Thank you for your internet representation made on 31st March 2019 which has been recorded as '**an objection**' with the comments as follows:

I wish to register my objection to this planning proposal. Firstly, a residence that is intended to provide 22 apartments with a possibility of 44 people residing within them could produce a requirement for possibly up to that many car spaces. I note that this proposal provides NO parking areas within the grounds and therefore this will cause a parking problem on Devonshire Road and Burnham Avenue. These roads are already full with existing residential cars and the extra need will cause congestion and increased danger to drivers and pedestrians as well as extra noise and busyness in the road which will be disruptive and unpleasant for existing residents. I do not understand how a proposal such as this can be passed without adequate parking facilities within the grounds. Devonshire Road and Burnham Avenue provide established family houses and a block of flats would not be in keeping with the style of these roads. I strongly object to this proposal.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is

available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
