1st April 2019

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline application with all matters reserved for 22 No. new dwellings consisting of 2 No. 1 bed dwellings, 18 No. 2 bed dwellings & 2 No. 3 bed dwellings.

26 Burnham Avenue Bognor Regis

Thank you for your internet representation made on 29th March 2019 which has been recorded as '**an objection**' with the comments as follows:

Burnham Avenue is already very congested and residents have difficulty trying to park anywhere near their own houses. It is also almost impossible to Park in the surrounding roads, Victoria Drive, Devonshire Road, Sturgess Road are equally congested. People park there to go to the town, catch a train to London/Gatwick or to go to the beach and traders use thse road to park their "vehicles for sale".

There would be so much additional road noise, pollution, damage to the already pot-hole filled roads and the stresses on residents no longer able to find parking at all would be horrendous.

Such a large development in a small space would be much too overpowering for the local area. It would take light and space from the neighbouring houses and people living in Burnham Gardens would lose their privacy as they will be overlooked by these tall buildings.

Old houses have wildlife friendly lawns and gardens which are environmentally friendly. There is nothing environmentally friendly about a block of 22 flats.

Unfortunately it is not possible for the council to respond to each representation individually but your views will be considered before the application is determined and I shall write to inform you of any decision made.

If the application is to be determined at the Development Control Committee and your letter has been received after the agenda has been published, you will not receive a separate letter notifying you of the date of the meeting and the procedures for public speaking. In such circumstances, it is recommended that you track the progress of the application on the website or telephone for further information. Please be advised that any comments received after the the Development Control Agenda has been produced will be reported to the meeting. Please also note that only a small number of all planning applications are determined at the Development Control Committee, most are determined by officers under delegated power.

All representations are published on our website so please make sure your views are clear and only include information that you are happy for the public to view. Do not include personal information or information from third parties unless you have their permission to do so. If a complaint is received that permission has not been given for comments included about a third party, the Council reserves the right to redact/remove all relevant information. Do not include information that is defamatory or

breaches equality or other legislation. If you do not wish your comments to appear on the website and on the file, please confirm this in writing and I will arrange for it to be destroyed, although this does mean that its contents will be disregarded. For details of what we do with your personal information please refer to our privacy statement comments on planning applications which is available on our website www.arun.gov.uk/planning-privacy-statements.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
