Dear Sir/Madam

I would like to raise an objection to the planning application for 22 new flats on Burnham Avenue.

I understand there will be no parking for 22 new flats, this is a ridiculous proposition, we already have properties being used for multiple occupancies for students and Polish families which causes considerable problems with parking already on Burnham Avenue. Cars are parked over dropped kerbs, which prevents residents leaving and returning to their driveways. Cars are parked on yellow lines, without receiving tickets and the ends of the roads and corners of Ockley road making it incredibly difficult and unsafe when driving around these areas.

It is impossible to get a doctor's appointment at Maywood Surgery already, this will just increase demand on local services.

I hope my views are taken into account and the planning application is denied.

Kind Regards
Dawn Dunn
