Dear Sir/Madam,

The Planning Act 1990
The Town and Country Planning (Permission in Principle) Order 2017(as amended)

Application No: BR/51/26/PIP
Site Address: Longbrook Pavillion Hook Lane Bognor Regis PO22 8AT
Description of works: Application for permission in principle for a maximum net gain of 8 No dwellings.

Thank you for your internet representation made on 10th May 2026 which has been recorded as an objection with the comments as follows:

OWPC83448

I strongly object to this application for the following reasons.

The site is very confined at the end of Hook lane and the proposal is to increase the housing density in this area. There is also a chronic lack of on street parking and this proposed development will increase these problems. There are also on-going parking issues with students from the university parking in Hook Lane.

The road infrastructure in general is inadequate for further development.

The style and design of the proposed development is not inkeeping with the existing properties.

Your views as made above will be considered before the application is determined.
