Thank you for your internet representation made on 13th August 2026 which has been recorded as no objection with the comments as follows:

OWQC85916

NO OBJECTION

Whilst Members are supportive of the proposed planning application on this site, they would like for ADC to review the viability assessment to determine whether an increased level of affordable housing can be achieved, in partial compliance with Policy AH SP2 of the Arun Local Plan, rather than none at all. If permitted, the Town Council would like to see the development offset with an improved lighting scheme in the alleyway that runs behind the site from Queensway to Bedford Street to reduce the level of antisocial behaviour associated with this location and to improve perceptions of safety.

Members also wished to see a pitched roof incorporated into the design, as this would be more in keeping with the character and appearance of the surrounding area, with solar panels installed on the roof.

Your views as made above will be considered before the application is determined.
