Jack,

Thanks for your email.

I have looked again at the 2nd floor and I think I mis-counted first time around. Sorry. So there is no change re no. of beds at 2F.

I can see the bedroom at GF between lounge and laundry but it is still marked as a bedroom on the proposed GF plan. Do you want to change it to say training room?

As Highways have not requested any changes akin to those on BR/134/17/PL, I will not insist on these. Therefore, I am happy to add the parking plan that you previously sent across (please confirm that you want me to do this).

I will have the tree plans uploaded to our website.

As the Town Council have objected, we will need to take this to Ctte and the next one is not until the 29th July. Will you therefore agree to an extension of time until 31/07/20.

Kind Regards
