Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/55/20/PL
Site Address: Abbots Lawn Sylvan Way Bognor Regis PO21 2RS
Description of works: Proposed first and second floor extensions.

Thank you for your internet representation made on 5th June 2020 which has been recorded as an objection with the comments as follows:

OWPC27545

Continued 'commercial' development in residential areas is unsustainable. It should be mandatory in this area for commercial developers to fund off street parking permits, (one motor car), for each residence on an adopted highway within 400 metres, NESW of developed location. Each household to purchase extra for private car, van etc.

Where are contractor vehicles going to park? Probably outside everyone's private residence for months. What COVID 19 mitigation requirements will be required to existing and new structures under Building Regulation as advanced by the HSE.

Your views as made above will be considered before the application is determined.
