Dear Mr Blackman,

I have no knowledge of any works that may be starting at the site. I would suggest that you maybe talk to the owners/builders and see if you can find out.

Kind Regards

Good Morning Mr Davis

Currently there is a lot of building work happening at Abbotts Lawn at the which I do not think has anything to do with the above application. Am I right in assuming this is in relation to previously approved applications and need to be started before expiry date? There have been so many applications over the years it's easy to lose track!

Thanks

Paul
