Hello Alan

The plan needs to be a PDF document with a scale on it such as 1:50 or 1:100 whichever your plans measure to. Once received I can advise further as at present we are unable to measure word documents or convert them ourselves.

Kind Regards

Sian

Dear Mr Newman

Thank you for clarifying payment. Sometimes the system doesn't update the payments therefore they won't be online until the day after or until Arun council update them but will unfortunately still pull through in emails as £0, but not too worry I've updated it manually as paid. However if you would like to send all amended documents directly to me via this email I can deal with them much faster than through the portal/arun.

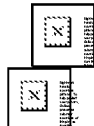

Please let me know if I can assist you any further

Kind regards

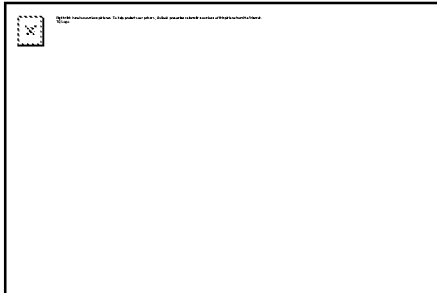

Sian Eggington
