Miss Linda White

With reference to planning application BR/59/20/11
4 L and 5 down house the usplanned bognor regis.
I am in subject to this application being
granted my reasons are - this is a
conservation area, permission wasn't granted
when it was built.
Myself and my neighbours in the Steyne
don't think extra balconies should be
built onto the front of our beautiful
seafront.

I couldn't do this online so I have had
to send it in weighting

Yours sincerely
