APPLICATION REF: BR/60/08

Further to your discussion with my colleague, Gian Bendinelli, raising queries regarding the above, and his subsequent letter of 3rd April 2008 in reply, I enclose 3no. copies of the relevant amended drawings for your attention, as follows:

<u>Drawing No.</u>	<u>Title</u>	<u>Scale</u>
10/1441/200 Rev A	Hawthorn Road & West Meads Drive Streetscenes	1:200
10/1441/201 Rev A	Site Plan & OS Map	1:200/1:1250
10/1441/203 Rev A	North East & South West Elevations	1:100

The elevational drawings show no.10 New Hall Close corrected in position to accord with the site plan which is correct. The site plan has been amended to show the path of the culvert and which part is open (ditch) and which is covered.

I trust these amendments answer the queries but if you require any further information then please contact me.
