14th April 2008

Dear Mr. Wheway

Proposed Residential Development, 36 Units of Sheltered Accommodation
McCarthy and Stone, 262 Hawthorn Road, Bognor Regis

I write to you further to my letter to you of the 26th of March 2008 seeking information in respect of the above application.

I have not heard from you as yet in response to that letter and would be pleased received a written response from you to confirm, firstly your comments in response to that letter, and also could you please advise when this application is likely to be presented for determination. I anticipate that the Officers are expecting to present the application shortly to Members for their decision and would be pleased to hear from you as to when that would be.

If you are not able to respond to me in writing, then a very brief telephone call, particularly regarding the likely submission date to members, would be greatly appreciated as that would obviously assist me in the short-term, although I would appreciate your long-term response on both matters that I have raised with you.

I look forward to hearing from you shortly.

Yours sincerely

R. L. Stubbs
