4. Description of the Proposed Development

Please describe the proposed development, including relevant information covering the design and external appearance, in particular the impact of the glare on occupiers of neighbouring land:

Installation of solar photovoltaic equipment at Barnsley Tesco Extra.

Generation capacity of system 200.00 kW.

The solar panels shall be mounted on the existing flat roof using ValkPro+ solar mounting system. The roof area is surrounded by an existing parapet wall 1.8m above flat roof area. The highest point of proposed system will be 0.31m above flat roof area. The system will not be visible or over looked from neighboring land.

No solar equipment will be installed within 1m of the roof edge.

Will the solar PV equipment be installed on:

A pitched roof ☐

How much will protrude beyond the plane of the roof? (Measured from the perpendicular with the external surface of the roof slope)

Metres

A flat roof ☒

What is the highest part of the solar PV equipment above the highest part of the roof? (excluding any chimney)

Metres

What are the measurements from the solar PV equipment to the external edge of the roof?

At the nearest point the solar voltaic panels will be 3.00m from parapet wall. No equipment will be installed within 1m of the parapet wall. Dimensions shown on attached PV*SOL Project Overview.

5. Checklist

Please read the following checklist to make sure you have sent all the information in support of your proposal. Failure to submit all information required could result in your notification being deemed invalid. It will not be considered valid until all information required by the Local Planning Authority has been submitted. Please note that as part of this procedure, if any objections are received the Local Planning Authority may require submission of further information at a later date.

All sections of this notification completed in full, dated and signed (typed signature if sent electronically).

Existing and proposed elevations and plans

A plan indicating the site and showing the proposed development. A plan drawn to an identified scale will assist the authority in assessing your development proposal. Plans can be bought from one of our accredited suppliers using our Buy a planning map (www.planningportal.co.uk/buyaplan)
