CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Please find attached photos relating to an issue with the position of the application signage.
It appears there was only one notice visible but located at the far end of my private driveway and attached to a fence belonging to a property in a neighbouring street.
No notices were visible directly in Longford Road
