Thank you for your internet comments made on 15th April 2009 and recorded as follows:

NO OBJECTION subject to the A.D.C. Arboriculturist's approval of this surgery but no work should be carried out until the autumn when birds have finished nesting, and subject to the Wildlife and Countryside Act 1981 which gives protection to wildlife birds.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please note that Planning Services operate an "open file" policy which means that all documents relating to planning applications, including internet representations objecting to or supporting the proposals, are available for everyone to see. If you do not wish your comments to appear on the file please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Zachary Ellwood
Interim Head of Development control
