Dear Mr Matthews,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application for Planning Permission

Development: Change of use to 5 bed house in multiple occupation. This application is in CIL Zone 4.
Location: 20 Nyewood Lane Bognor Regis PO21 2QB

Thank you for your recent application which I received on 9th March 2022. It is being validated by Nicola Moore who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

Pagham Harbour Management Contribution Legal Agreement and Fee

As your proposal is for the creation of residential units within Pagham Harbour Buffer Zones A & B, you are required to provide a completed and signed unilateral undertaking legal agreement as part of your planning application submission together with the appropriate legal checking fee. This is a Local Validation Requirement and the purpose of this agreement is to secure the required Pagham Harbour Management contribution.

Full details of the Pagham Harbour Management Contribution can be found in the Validation Requirements List and also on the Council's website at the following link:
<https://www.arun.gov.uk/planning-obligations>

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and

scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it directly to us at: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **4th April 2022** or your application will be closed as incomplete and you will have to resubmit if you wish to proceed. If you have difficulty meeting this deadline please contact the above officer to extend the time scale.

If you made a paper application and did not provide an email address, please could you do so to enable us to contact you swiftly with any queries or issues.

Yours sincerely

Neil Crowther
Group Head of Planning
