3 Description of Development

First & second floor rear extension to create 3 No. studio apartments

In pursuance of their powers under this Act and related Orders and Regulations the Council **REFUSE** to approve the development as described in the application and plans for the reasons stated.

1 The scale of the proposed two additional floor extension to the rear of 77 Aldwick Road will result in an overbearing impact on - and loss of outlook to - the amenity of the existing windows of residential flats in the rear of 73-75 Aldwick Road to the east and 79 Aldwick Road to the west. In addition, there will be a harmful loss of sunlight and overshadowing of the two large residential windows on the closest part of the rear of 79. The proposal is therefore contrary to policy GEN7 of the Arun District Local Plan; the National Planning Policy Framework; and policies DDM1 & DDM4 of the Arun Local Plan 2011-2031 Publication Version showing Modifications.

2 The new first and second floor studio windows will look out towards the rears of Nos. 10 & 14/16 Stocker Road at a distance of only around 8.8m. This will result in a loss of privacy to number 10's private residential garden and the proposal is therefore contrary to policy GEN7 of the Arun District Local Plan; the National Planning Policy Framework; and policies DDM1 & DDM4 of the Arun Local Plan 2011-2031 Publication Version showing Modifications.

3

The new first and second floor kitchen, hall and stair windows will face towards the flank residential windows of 79 Aldwick Road, resulting in a loss of privacy to these windows and a harmful effect on the amenity of existing occupiers. The proposal is therefore contrary to policy GEN7 of the Arun District Local Plan; the National Planning Policy Framework; and policies DDM1 & DDM4 of the Arun Local Plan 2011-2031 Publication Version showing Modifications.

INFORMATIVE: Statement pursuant to Article 35 of the Town and Country Planning (Development Management Procedure)(England) Order 2015. The Local Planning Authority has acted positively and proactively in determining this application by identifying matters of concern with the proposal and discussing those with the Applicant. However, the issues are so fundamental to the proposal that it has not been possible to negotiate a satisfactory way forward and due to the harm which has been clearly identified within the reason(s) for the refusal, approval has not been possible.

INFORMATIVE: Refusal reason 3 could be overcome through the addition of obscure glazing to the new first and second floor kitchen, hall and stair windows.

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against this planning application decision, then you must do so within 28 days of the date of this notice.

If an enforcement notice is served relating to the same or substantially the same land and development as in your application and you want to appeal against this planning application decision, then you must do so within 28 days of the date of service of the enforcement notice, or within 12 weeks of the date of this notice, whichever period expires earlier.

Otherwise, if you want to appeal against this decision then you must do so within 6 months of the date of this notice.

Appeals must be using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <http://acp.planninginspectorate.gov.uk>

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

PURCHASE NOTICES

If either the local planning authority or the Secretary of State refused permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (that is, where the land is situated in a National Park, the National Park authority for the Park, or in any other case the district council in whose area the land is situated). This notice will require the Council to purchase the owner's interest in the land in accordance with the provisions of Chapter 1 of Part VI of the Town & Country Planning Act 1990.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the
