Good morning,

I have now got the photographs and can see the emails so will be speaking to my team leader today about moving the application forward. Can you agree to an extension of time on the application until the 10/06/2021 so that I can have a decision to you no later than that?

Kind regards

Finlay Gardner

Hi Finlay

Thank you for your communication with regard to the above application made for me Martin Clack, I am assisting Ash Partridge through the planning process. I attach numerous photographs of the development site which I hope will be of some help in your decision. I have taken a broad selection from different aspects which I hope show that this extension is in keeping with the area, are in proportion and indeed will improve what is a fairly run down property.

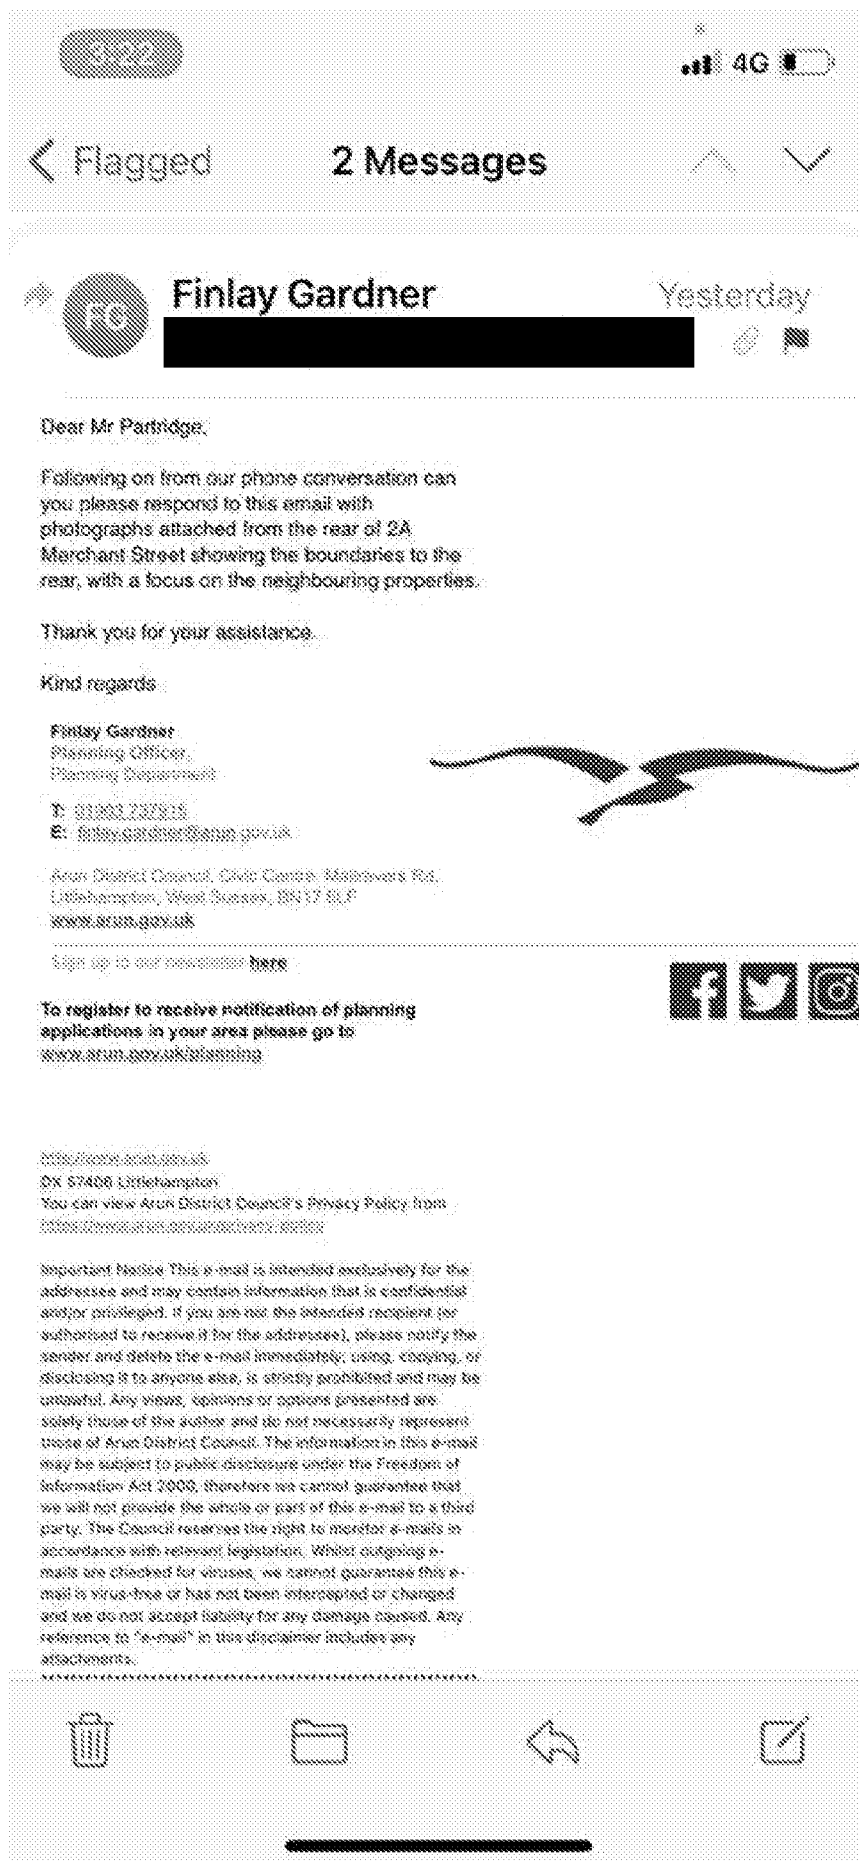

I have put some time aside solely to concentrate on this project so if you require any further information or wish to chat about any aspect, please call me on [REDACTED] at any time.

Kr

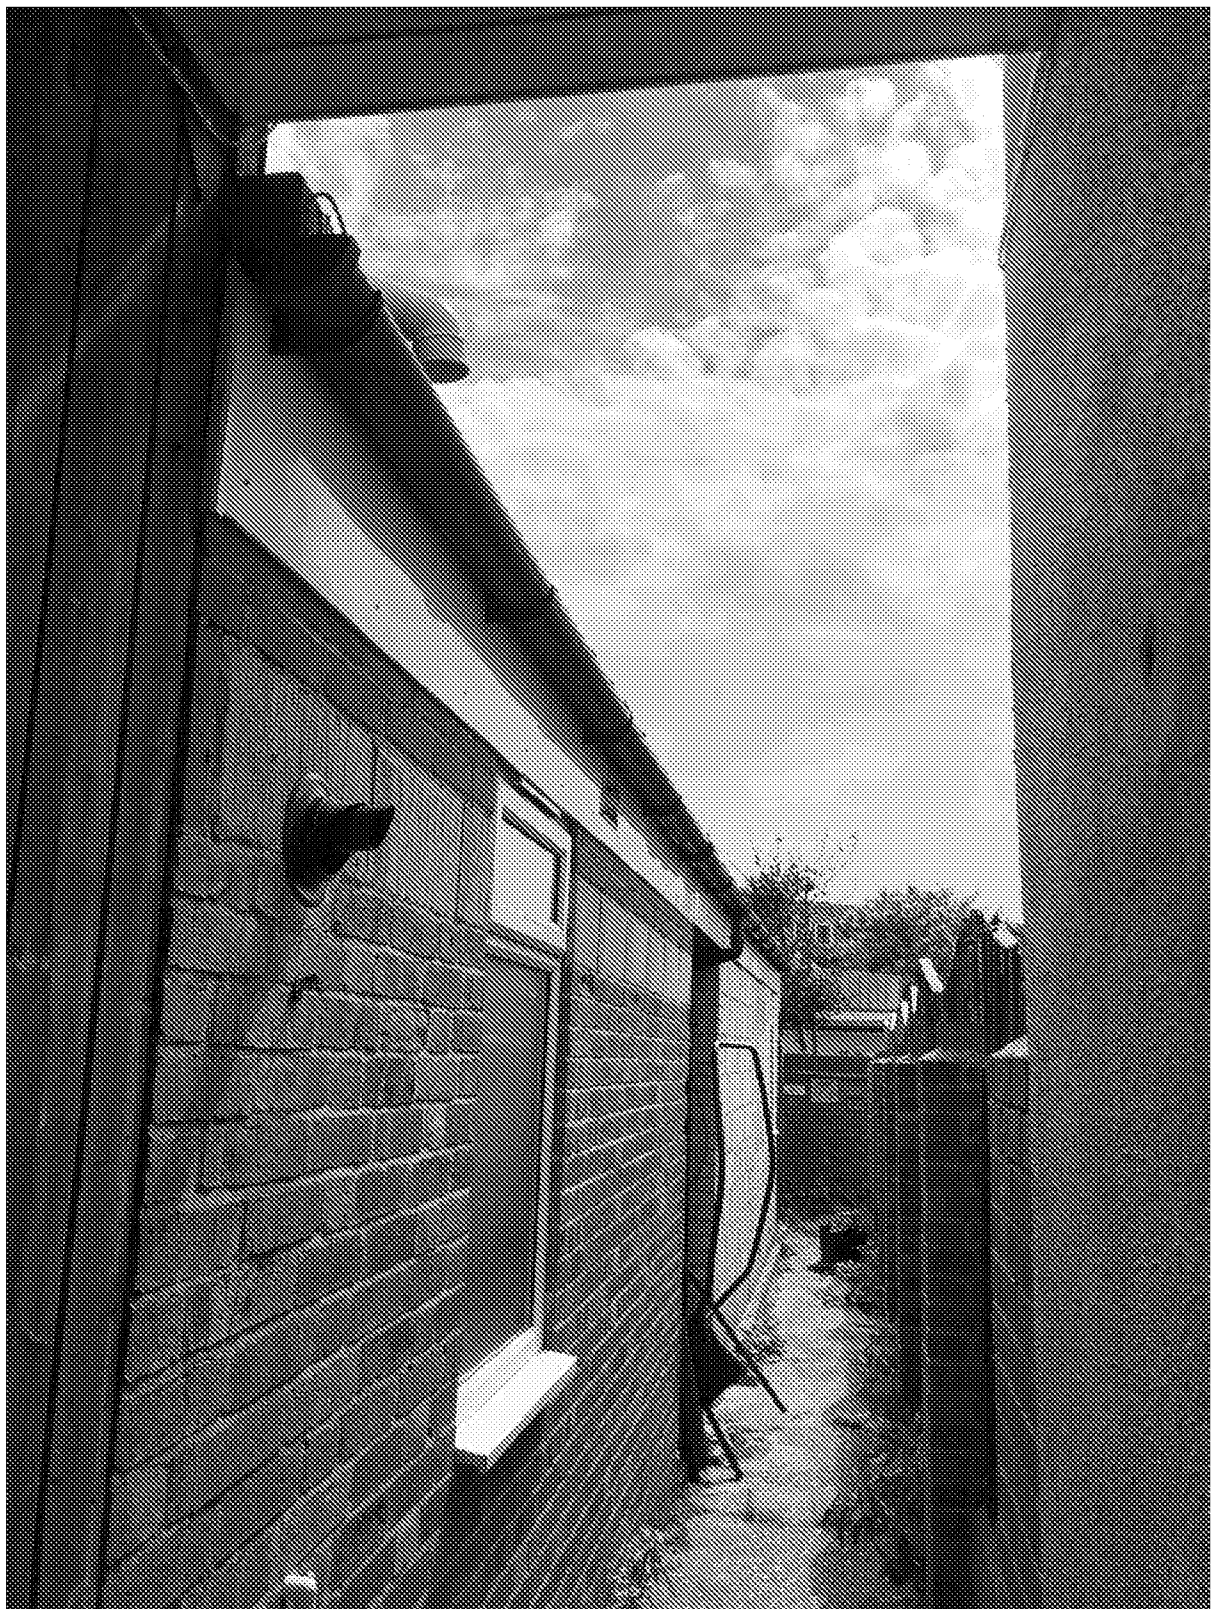

Martin
