Re: 30 West Street, Bognor Regis, West Sussex PO21 2PN

Dear Sir/Madam,

Please find enclosed the Planning Permission application for change of use for the above property.

We are due to take on this lease in the near future, but we are required to change it from a daycentre to use for office.

I hope I have filled this in correctly, please contact me if you require any further information.

Regards,

Frances Hussain-Shah
Manager/Director
