

Client: Freshwater Group of Companies

HJP Ref: 6304

Reason for exemption provided in Section 24 on the application form:

The proposed works to the site are subject to de minimis exemption, due to the works only impacting already tarmacked areas. Thus, not impacting any priority habitats or any non-priority vegetated areas, trees or habitats. Please see the following photographic schedule providing evidence to the lack of vegetation on the site.

Red outline is the site boundary.
