Description of the Proposal

Please provide a description of the approved development as shown on the decision letter

Condition 2

Has the development already started?

- ☐ Yes
☒ No

Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

Revisions to condition 2 would allow the substitution of alternative plans for the 176 bed student scheme with a different internal space configuration of rooms that will be more economic to build. The opportunity has been taken to improve fire escape routes. A different palette of external materials is proposed. The revisions do not alter the number of beds and there is only a very minor change to the footprint and silhouette of the building. The revised footprint observes the parameters established by the consented scheme in terms of height and separation distances with the nearest residential properties at Hook Lane and Broadmead. Changes are proposed to the internal arrangement of accommodation, the external appearance, and use of materials. The amendments can all be carried out with no changes to the description of the development in the existing consent.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

Condition 2 should be varied with the inclusion of revised plan refs as set out in the drawing issue sheet of Architecture PLB (issue 5) and the landscape masterplan of Lizard Landscape Design and Ecology.
