Dear Sir,

Planning Application Number BR/73/19/PL

I object strongly to this Planning
Application for the following reasons:-

1. Increase in traffic on West Street already a busy road.
2. More traffic will use the exit from the Royal Norfolk Mews.
3. Enclosing further the special setting of the Royal Norfolk Hotel (Grade 2 listed)
4. Whatever the height and number of houses proposed it is still an encroachment on the setting of the Royal Norfolk Hotel.

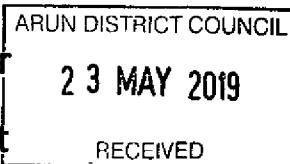

Yours faithfully

Dear Sir,

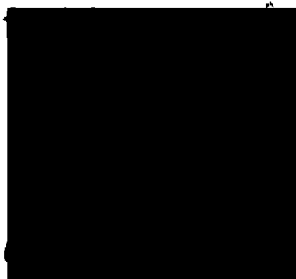

We don't want any building in West Street.
There has already been a lot of filling in and we don't want anymore.

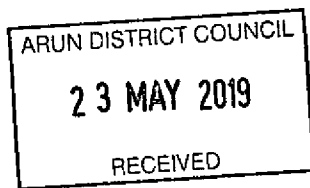

We oppose these plans and ask you to reject
them.

This is a Conservation Area and The Royal
Norfolk Hotel is a grade 2 listed building. The area of open space is
fundamental to the townscape.

Earlier attempts to build on these tennis
courts have been vigorously opposed and rejected.

Yours

Dear Sir,

Please reject this application so that the one remaining space will be retained in West Street. We have lived in Field's Butcher's shop for over 50 years and have seen the infilling that has gone on.

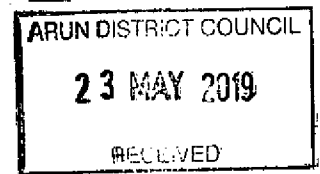

In a statement in the local post newspaper Mr Skinner's planning agent said "the site represents an unkempt and overgrown eyesore in the midst of the Conservation Area", it seems wrong that profit can be made from neglect.

The Royal Norfolk Hotel needs the backdrop of open space in this conservation area. We object strongly to this application.

Yours faithfully

As a Bognorian, born in Oakwood Road and having grown up in the town, I strongly feel that the planning committee should reject the plans for the building of houses on the old Royal Norfolk tennis courts.

Enough damage has been done to Bognor Regis over the years by wrecking what we had. This is the last straw.

As you are aware this application is within a Conservation Area and the Royal Norfolk Hotel is a grade 2 listed building and enclosing West Street further will denude its unique appearance not only for residents but also as a tourist attraction.

Please reject this plan to cram more buildings, causing more noise and making the traffic in West Street even worse.

Yours faithfully
