Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Erection of 3 No. terraced residential dwellings, garden/cycle storage sheds & associated parking utilising the existing access (resubmission following BR/214/18/PL). This application affects the setting of a listed building & affects the character & appearance of The Steyne, Bognor Regis Conservation Area.

Land To East Of Royal Norfolk Hotel Aldwick Road Bognor Regis

Thank you for your internet representation made on 27th May 2019 which has been recorded as **'an objection'** with the comments as follows:

Dear Sirs,

I am writing to state my objection to the aforementioned Planning Application. My reason for this is as follows:-

As a resident and Shareholder in Royal Norfolk Mews Management Ltd. I must stress that the positioning of the entrance to the proposed development is unacceptable.

It must be stated that a covenant in the Deed of Transfer of 8th May 2008, giving access to the transferor across the entrance road owned by the transferee states:

"The right to make an access of a width to be agreed with the transferee in the northern boundary of the transferor's retained land at a point adjoining the access road to be agreed with the transferee to provide access to and egress from the transferors retained land over the access road."

An access was duly agreed, and a drop kerb installed on the transferee's land to allow access. The Mews was then developed around that access.

As you will no doubt be aware, the plan proposed for the new development ignores this completely.

The proposed siting of access further west, adjacent to, and detrimental to, the visitor parking owned by Royal Norfolk Mews Management Ltd.

The placing of the exit from the proposed development adjacent to our established visitor parking constitutes a danger liable to cause an accident.

The existing entrance must be used and the plan duly amended.

Yours faithfully,

Mrs. C. M. Wiltshire
