Planning Application Number BR/73/19/PL

Dear Sir,

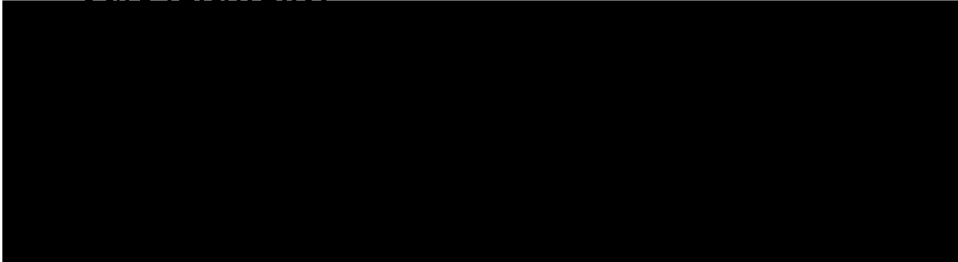

We strongly object to the planning application to build 2 story buildings on the old tennis courts of the Royal Norfolk Hotel. It will enclose West Street and will reduce the open space surrounding the Hotel.

The character of Bognor Regis has been eroded by "in-fills" and this planning application is to do just that in a Conservation Area.

There is already too much traffic in West Street and this will make the situation even worse.

We hope that these plans will not be passed.

Yours faithfully,
