Planning Application Number BR/73/19/PL

Dear Sir,

We have seen so many old Bognor Regis buildings demolished over the years and another plan afoot to change the face of West Street by building on the last remaining open space.

Mr Skinner's planning agent said in the local post newspaper "The site represents an unkempt eyesore in the heart of the Conservation Area and in close proximity to a prominent listed building". It seems wrong that profit can be made from neglect.

We ask you to refuse planning permission.

Yours faithfully
