Dear Adrian,

I have not yet had the comments of the Conservation Officer.

The application will need to go to Development Control Committee if we are proposing approval (this being subject to the Conservation Officer agreeing with me). Currently, I have it pencilled in for the 10th July Meeting and it is the oldest of four that need to go to that Meeting.

Kind Regards

Dear Simon,

Following a review of the progress of the planning application on the Council's website, I note the following consultees have responded, namely: Environment Agency, Highways, Drainage, and Historic England, none of whom have raised any objection subject to various suggested conditions. I also note that a number of objections have been raised by private individuals and the Town Council. Have you received any comments from the heritage team and does the objection from the TC mean that in the event the Council support the development proposal, must it be determined by the planning committee and which committee date would it be considered.

Sorry about the questionnaire, but I need to inform the applicants.

Kind regards

Adrian
