Dear Sir,

Planning Application Number BR/73/19/PL

Having recently moved to Bognor Regis it was with dismay that I learnt of plans to fill in the remaining space abutting the Royal Norfolk Hotel's green space. I hope that you will vote against this build and realise the importance of maintaining the townscape.

This application is within a Conservation Area and the Royal Norfolk Hotel is a Grade 2 listed building and enclosing West Street further will denude its unique appearance not only for residents but also as a tourist attraction.

By rejecting this application you will be supporting peoples wishes for no more infilling.
