Dear Sirs,

Planning Application Number BR/73/19/PL

I have holidayed in Bognor Regis for about 40 years and I really value the area around the Royal Norfolk Hotel. The hotel is a grade 2 listed building in a conservation area. I think it needs its special setting to be able to be seen by residents as a tourist attraction.

This area of open space is very important as there has already been so much in-filling. The proposed buildings are too high for this side of the street as they would block the view of the Royal Norfolk Hotel from West Street.

If you allow this application the character of this conservation area will be changed forever.

Please reject this application.

Yours faithfully,

MRS LOUISE DOWNES
