Dear Adrian,

This is quite normal. Martyn is our sole Conservation Officer but for only 2.5 days of the week (with the rest as Principal Policy Officer) and therefore, it is usual for there to be a delay in receiving his comments. I have copied him in to this email so that he is aware of your concerns.

Kind Regards

Dear Simon

The applicants have just asked me for an update and I notice from the Council's website that 'Conservation' have yet to respond. Is this normal bearing in mind that the original determination date expired yesterday or is it the case that they do not wish to respond?

Sorry to be a pester but I need to give an answer to the client.

Kind regards,

Adrian
