Dear Sir

Living in this conservation area I have obeyed the instructions for the outside colour of my house. And yet planning permission is being sort to crowd the Royal Norfolk Hotel by building on land never developed in its history.

It would also be detrimental for Grade 2 listed buildings in the area that is The Royal Norfolk, 1and 2 Norfolk Place, the Lodge and 47 West Street.

Adrian Hoy, Mr Skinner's planning agent said in a statement to the local post newspaper. "The site

represents an unkempt and overgrown eyesore in the heart of a Conservation Area". It seems wrong that profit can be made from neglect.

I hope these plans will not be passed.

Yours faithfully

Mr. J. H. Smith
