

P & L Cttee. Mins. 18th March 2008

BR/67/08 Continued	Modifications to planning permission BR/315/07 – widen units 1-2 & 5-6 by 1.100m. Raise roof height by 35-40cm. Reprovide hotel storage building and relocation of bike store. Minor amendments to boundary walling	Former Accommodation block & storage building Land to the rear of Royal Norfolk Hotel	This is also in complete opposition to the Bognor Regis Masterplan, which aims to preserve the settings of Listed Buildings in Conservation Areas. Access for residents' cars onto West Street, a road that is already a busy exit from the town centre, would be hazardous and dangerous, especially with such close proximity to the corner. In the event of this leading to major road reconstructions in this area, the full cost should be met by the developer not the taxpayers.
