Dear Sian,

Application Ref: BR/74/19/A

Thank you for your letter regarding the above application, for the permission to display two advertisements at the University of Chichester's Bognor Regis Campus.

Apologies but I only received your letter today, I spoke with one of your colleagues who informed me that the application has not yet been closed and that I have an additional week from today to get the requested elevations over to yourself, despite the 1st April deadline, this was greatly appreciated.

With the above in mind, I have attached the scaled elevations for the 2 proposed signs. Please note, the V shaped sign proposed will be formed from two separate signs, set at angles from each other to create the 'V' shape, I have shown the elevation for one of the 2 individual signs to the right hand side of the V elevation.

If you have any further questions regarding the application please don't hesitate to contact me.

Kind regards,
