Subject: Reference planning application number PP-08589020

Dear Sir/Madam,

With reference to the Planning Application PP-08589020 for 140 London Road, Bognor Regis, I notice it includes a roof level glass terrace which extends over the back wall of the building.

This would provide an unobstructed view directly into the back gardens of the adjacent properties on both sides and possibly those to the rear.

I object to this application on behalf of those neighbouring properties in that it compromises their privacy.

We are each of us entitled to privacy in our own homes and this structure would deny this.

I request, on behalf of those neighbours, that you refuse this application.

Yours faithfully

Ralph Page

Resident of 132 London Road
