Unfortunately I am now working from home, so have no access to any plans that have been sent by post. Would it be possible to email it to me please?

Good Morning

Thank you for the attached plans. However, it is not clear from these the locations of each of the trees. Please can you submit one plan that clearly shows the trees. The trees should be clearly labelled and cross referenced to the details on the application form. The plan should also include road names and adjoining properties. A North point is also helpful.
