3 Description of Development

Fell 1 No. Monterey Cypress (T1).

4 In pursuance of their powers under this Act and these Regulations the Council **REFUSE** consent for the operations described in the application and plan for the reasons stated.

- 1 There is no arboricultural reason for the tree to be felled and its felling would detract from the amenities of the locality.

INFORMATIVE: The removal of dead or imminently dangerous branches is an exception and does not require permission, although in respect of the latter those undertaking are required to notify the local planning authority at the earliest opportunity and works should only be to the extent that the immediate threat to person(s) or property is abated. Any work desired beyond that which is absolutely necessary requires a formal application.

If you wish to make a claim you must do so within 12 months from the date of this decision (or, if you appeal to the First Secretary of State, within 12 months from the date of his decision). Claims should be submitted in writing to the Group Head of Planning, Arun District Council, Maltravers Road, Littlehampton, West Sussex, BN17 5LF.

Please note that this decision notice only relates to matters under the Planning Acts and does not give consent under any other legislation that may apply to the development. You will need to carry out your own checks to determine whether any other consents or permissions are required. For example, the Building Regulations are likely to apply to most developments, and a Highways Licence may be required from West Sussex County Council for any development within the public highway (including the placing of skips on highway land).
