Essential maintenance is being carried out to the planning, building control and local land charges database during the week commencing 12 April 2021.

During this time there will be no public or staff access to any records held within this database, and it will not be possible to carry out any of the following tasks via the Arun website:

- Research planning and building control history
- View any planning applications, plans, agreements, tree preservation orders or competent persons data
- Submit building control applications
- Submit planning application comments
- Report any planning compliance issues

The publicity and consultation period for all planning applications that fall over this week will be extended by a further week to ensure no one is disadvantaged.

All other aspects of planning, building control and local land charges will be limited during this week and you are strongly advised to contact the individual departments before 12 April 2021 for specific restrictions during this time.

Oh thank you you're so kind. This is really helpful.

No we are not members of Arun staff.

Myles

Myles,

Everything is fine now, however, Q11 on the application form needs to be changed to 'No' as the applicant is not a member or is related to a member of Arun District Council staff.

You may email me to clarify this point and I will be able to validate your application.

Thank you

Daun

Thankyou so much.

I've paid the fee now.

Many thanks

Hi Daun,

Please could you direct me to which website I have to visit to upload the elevations and floor plan, plus change the option to yes / no?

I will pay the fee now. I thought I had already done this.

Please extend our deadline too if you think that will be necessary.

Myles
