Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015: Article 39

Application No: BR/81/21/CLE
Site Address: 3 Beatty Road Bognor Regis PO21 2HD
Description of works: Lawful development certificate for the existing change of use of building from dwelling (C3 Dwelling house) to a 6 bed HMO (C4 House in Multiple Occupation).

Thank you for your internet representation made on 19th April 2021 which has been recorded as an objection with the comments as follows:

OWPC35205

Parking in Beatty Road is already oversubscribed with the current density of occupation. Increasing that density with another HMO will cause further congestion & blocked sight lines at junctions, creating a danger to both pedestrians and motorists. Each conversion of a family home to an HMO causes further pressure on local services and on sewerage, water supply, health and education services etc. The change in character of the town caused by the increase in HMOs is reducing the pleasure of living in the town.

Your views as made above will be considered before the application is determined.

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Development Control Committee.
