

CDM REGULATIONS 2015
The client must abide by the Construction Design and Management Regulations 2015. The client must appoint a contractor, if more than one contractor is to be involved, the client will need to appoint (in writing) a principal designer (to plan, manage and coordinate the planning and design work) and a principal contractor (to plan, manage and coordinate the construction and ensure there are arrangements in place for managing and organising the project).

The designer can take on the duties, provided there is a written agreement between you and the designer to do so.

(a) Last longer than 30 working days and has more than 20 workers working simultaneously at any point in the project.

All contractors/sub-contractors must ensure that they are in possession of the currently issued drawings and details before commencing the relevant 'work-stage'. All measurements to be checked before work begins; any discrepancies must be reported to the designer so that alterations can be made prior to commencement of building works.
