I wish to oppose the planning application for holmlea off town cross ave bognor Regis, BR/82/22/PL..
I live on halson close and our quality of life is already hampered by 200 feet trees overhanging our gardens from the graveyard, we are overlooked and hemmed in by properties behind us , have no sunlight or privacy.. more houses built would hamper this even more, our privacy would be ruined even more, they would be only feet away , hemming us in.. it is also dangerous, the road is too narrow for emergency vehicles etc, therefore making it impossible to walk safely . Parking is already horrendous, so the proposed parking spaces of 8 ,, for 10 flats is totally inadequate,, causing mayhem where there is already major problems.. come and look from our back gardens in halson close how our quality of life is very low, it will be even lower if planning permission is granted . Regards Julie
