I have service health issues and use the road to go and see family and need space to drive and see them

I also have to use that road as well to go to the hospital and also go to work as it is the safest way for me with the health i have as some times its best for me to be able to go a safe rote to and from work

When i go to work i do go that way on my scooter when not in the car as i fill safe going that way so if there is all this work going on i will not be able to get to work
