Hello Simon

Sincere apologies for a really late reply to this email.

There is a lot of tasks in play at present.

The quick answer is yes, a contribution to Bognor Health Centre would be pragmatic.

This would equate to £9,662 contribution

I just need to make some time in my diary to complete the formal response form..

I'm hoping to do that Thurs late pm of this week

Really do appreciate the chasing – there are many competing tasks.

Hello,

I'm just chasing a consultation request (sent 30/04/20) for this application which is 12 flats in Bognor Regis Town Centre and is zero rated for CIL so a S.106 could still be used to secure any necessary off-site contributions. Do you want to request any contributions towards medical facilities?

We need to start drawing up the legal agreement so I need to know for my instruction to our legal team.

Kind Regards
