EH Comments:

I have considered the application above for the extension of hours and it raises serious concerns. The takeaway has flats directly about and opposite the site. As far as I'm aware there are no other late night commercial uses in the area, meaning that any noise produced from this business will stand out from the existing background level, which also drops of dramatically as the night goes on.

From the little information submitted the applicants only justification for this requested extension of hours is that the business is struggling so need to open longer, without any consideration of this impact this may have on the residents above or opposite especially when we have already received noise complaints for this premise.

As this application stands I must recommend refusal.
