Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town & Country Planning (Development Management Procedure) (England) Order 2015

Application No: BR/85/21/HH
Site Address: 12 Cavendish Road Bognor Regis PO21 2JW
Description of works: Proposed flat roof balcony and open framed and top glazed veranda unit.

Thank you for your internet representation made on 20th May 2021 which has been recorded as an objection with the comments as follows:

OWPC36461

We register an objection to the proposal to build this on the grounds that it will be intrusive to all neighbour's.

It has the potential to be very noisy as sound will carry further and louder from this height with no hedges or fences high enough to muffle the sound.

There is an adequate garden at ground level for recreational purposes. A previous application to build over the first floor for accommodation was reduced..

Carol and Richard Green

Your views as made above will be considered before the application is determined.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours sincerely

Neil Crowther
Group Head of Planning
