Subject: Aldwick House

Dear James,

We have just found out about the proposal of turning the above into 38 bedsits without provision of off road parking.

We live in Wood Street, and as it is have trouble parking, very rarely do we get to park in our own road, it's usually way along Richmond Road or Ellersdale Road. Turning Aldwick House into so many bedsits will only add to everyone's problem with parking!

Also, there has been an alarm going since at least last August from the building which we can hear in our garden, have had no idea who to contact in the past.

Please kindly consider our objection to the bedsits!
